

Global Test of Soroban

Grade 2 Exam

Time : 20 min

- ◆ You have to answer all the questions. The percentage of questions answered correctly must be 90% and more for each section.
- ◆ Even when you find problems easy, do not calculate mentally but use a soroban.
- ◆ While re-writing the answer, put a clear (=) line across all the numbers. Do not use an eraser.
- ◆ In case you could not write the answer in the space provided, write the number of the problem along with its answer in brackets () or use sign (→) to indicate the answer of the problem.
